Forklift Service

Forklift services for setup or breakdown may be requested at the Forklift Trailer near the loading dock. (NW area of exhibit site. A phone number will be provided closer to show time). Exhibitors must arrive no later than 12:00 noon, Monday, October 16, if forklift required. Please be patient and have someone remain on your lot to instruct the forklift driver. After the show, forklifts will run Thursday evening October 20, all day Friday, October 20, and until noon on Saturday, October 21. Service will resume on Monday, October 23. Your company is responsible for any forklift tickets that are designated, delivered and signed for at your exhibit location. This includes Inbound deliveries that arrive prior to the event (before a company representatives is onsite) and for Outbound loading following the event (after a company representative may no longer be onsite). We will make every attempt to get a signature from the driver delivering or picking up the equipment. Forklift fees are: \$110/hour with a \$75 minimum. Minimum is 30 minutes or less.

Exhibitors may use their own forklifts to set-up their own display. Any exhibitor loading or unloading for any company other than their own will jeopardize their future participation in the show and/or lose their forklift privileges.

All forklift operators must have certification from their employer showing they are certified to operate a forklift.

All exhibitors are required to carry proof of liability & property insurance to cover any damage to the building, exhibitor or persons caused by the operation of the forklift.

Garbage service

In order to ensure the safety of Sunbelt Expo attendees, the City of Moultrie makes every effort to curtail the use of large equipment within the exhibit area during show hours. For this reason, garbage collection will only be performed after crowds disperse. The City of Moultrie will not allow collection from inside an exhibit, so in order for your garbage to be collected, it must be outside your exhibit and set beside each traffic lane by 5:00 p.m. each day. For inside exhibitors, please place your garbage outside your exhibit booth for collection at 5:00 p.m. each day. Please help us in keeping Sunbelt Expo a clean, attractive event.

Ice

For delivery of ice to your exhibit location during the show, please contact Danny or Matt Dukes.
