

Shipping and Receiving

Sunbelt Expo will accept inbound deliveries at the Receiving Office (which is located at Gate 2), provide temporary storage (maximum 20 days) and deliver to your exhibit location. Inbound and outbound charges will be billed after the show to the billing contact on file based on the price list below. For return shipment after Expo, a 20% handling fee is charged.

Show materials may be shipped via any conventional mode of transportation. No collect freight shipments will be accepted. Show materials must be packaged in sturdy cardboard containers, display cases, or wood/metal crates. Sunbelt Agricultural Exposition management reserves the right to refuse any shipments not properly packaged.

Label each container as follows:

YOUR COMPANY NAME

Space Location & # of Packages

c/o SUNBELT AG EXPO SHIPPING & RECEIVING OFFICE

290-D HARPER BLVD

MOULTRIE, GA 31788

Each container must display your exhibit location and identify number of packages with each shipment (example: 1 of 3, 2 of 3, 3 of 3, etc.). Mark all containers "Receiving office". Sunbelt Expo accepts no responsibility for concealed damage to the shipment.

Following the completion of the show, at your request, Sunbelt Expo will collect properly sealed, labeled, and packaged display items, and ship per your instructions via a carrier of Sunbelt Expo's choosing. Items that are not properly sealed and labeled will not be shipped. For international shipments, Exhibitors must provide proper and accurate paperwork. ***Charges for shipping and receiving services are in addition to charges imposed by the freight carriers.***
