# GENERAL POLICIES

## EXHIBITOR BADGES + PARKING PASSES

The Sunbelt Ag Expo allocates exhibitor badges and parking passes according to the size of the exhibit space. Please cooperate by requesting parking passes and badges for only those working the exhibit. Extra badges can be purchased for \$15/badge. Please refer to the form on page 33 for the allocation chart and to order additional badges. Badges are not name specific. You do not need to register the names of the attendees.

All vehicles parked in the exhibitor parking area are required to visibly display their completed parking pass during the entire show. If your vehicle is parked in an unauthorized area and we cannot locate the driver, the vehicle may be towed at the driver's expense. Exhibitor parking is assigned by lot determined by the color of your parking pass. Spaces, however, are not assigned.

Please be sure to have any and all trailers not attached to a vehicle tagged with your company name and an on-site contact phone number should your trailer need to be moved. If your trailer is parked in an unauthorized area and we cannot locate the owner, the trailer may be towed at the owner's expense. You may ask for a trailer tag at registration if needed.

Beginning Saturday, October 11, security requires a completed exhibitor parking pass displayed in all vehicles entering/exiting the exhibit area and an exhibitor badge for all individuals entering the show grounds. Your passes and badges are included in your exhibitor registration packet.

## SPECIAL PARKING PASSES

**STATIONARY** - for vehicles that need to remain parked within the exhibit area during the show - meaning that vehicle is part of your exhibit. It has to remain in parked position for the entirety of the show.

**UNLIMITED** - allows for your vehicle to move throughout the show grounds. Unlimited passes are for official Expo business only

**A REQUEST MUST BE SUBMITTED PRIOR TO THE SHOW FOR APPROVAL AND WILL BE GRANTED AT THE DISCRETION OF EXPO MANAGEMENT. PLEASE SUBMIT AN EMAIL TO MANDY@SUNBELTEXPO.COM WITH YOUR REQUEST NO LATER THAN OCTOBER 1.**

**THIS IS IMPORTANT**

Security officers will be working inside the exhibit area to remove unauthorized vehicles. During the show, only authorized vehicles with proper passes will be allowed in the exhibit area. When the owner of a vehicle that does not have an authorized parking pass cannot be located, the vehicle will be towed at the owner's expense.

# GENERAL POLICIES

## GOLF CARTS, ATVS, AND MOTORIZED VEHICLES

Movement of bicycles, ATVs, golf carts, lawn mowers, scooters or ANY other motor vehicles without prior approval from the Sunbelt Expo is strictly prohibited inside the exhibit at any time from October 14-16. Violators will have their equipment impounded and will jeopardize their future participation in the show. Please respect the safety concerns that require us to enforce these rules. These vehicles are ONLY for those in the field demos or agricultural research areas.

## WHEELCHAIRS AND SCOOTERS

Wheelchairs and scooters for the handicapped are permitted. The Expo allows wheelchair (manual or electric) access, but the use of golf cars, riding lawn mowers or other motorized vehicles is strictly prohibited. Call Vista Mobility at (262) 677-2696 for rentals or visit [www.sunbeltexpo.com/visitors/handicap-mobility-services](http://www.sunbeltexpo.com/visitors/handicap-mobility-services) to reserve online.

## PETS

**NO PETS ARE ALLOWED EXCEPT SERVICE ANIMALS WHICH MUST BE LEASHED AT ALL TIMES.**

**SUNBELT EXPO SERVICE ANIMAL DEFINITION:** A service animal meets the following criteria: dog or miniature horse (height 24-36 inches measured to horse's shoulders) that is individually trained to do work or perform tasks for the benefit an individual with a disability (including a physical, sensory, psychiatric, intellectual, or other mental disability).

**THE FOLLOWING ARE NOT CONSIDERED TO BE SERVICE ANIMALS:** Animals that are not a dog/miniature horse. Therapy animals; comfort pets; companion animals; and "social/therapy" animals.

## RESTOCKING EXHIBIT ITEMS

We recognize the need and importance of exhibitors being allowed to sell their product at the show to offset the cost associated with exhibiting at the Expo. With this privilege and permission, guidelines must be established and adhered to in keeping safety priority #1.

Exhibitors must maintain and keep in good order the display space they occupy at the show using all exhibitor guidelines for the safety of attendees. Exhibitors should have at least one representative at the exhibit location at all times during show hours.

Only items that can be carried by hand, by one person, can be sold and removed from your static display during show hours. The exhibitor is responsible for providing an attendee/customer with a bill of sale, receipt or some form of proof of purchase in the event they are asked for it by security at the exit gates. This is for your protection.

The Sunbelt Expo wants to ensure all of our visitors and exhibitors have the opportunity to experience a great show regardless of which day they attend. With this in mind, please understand any items which cannot be carried by hand, by one person MUST remain at your display until after 4 p.m. on Thursday, October 16. Security staff will strictly enforce this policy.

In maintaining the supply and demand of your display for all three days of the show, restocking is allowed from 5:30 until 6:30 p.m. on Tuesday and Wednesday. With your completed exhibitor parking pass, you can drive your vehicle in through Gates 2 or 4 only (Enter and Exit) to replenish items sold from your display. Gate 4 will close for all traffic at 6:30 p.m.

All exhibitors and vendors, including food vendors, are required to provide proof of commercial general liability insurance coverage in the amount of \$1,000,000. In addition, food vendors should provide proof of products liability coverage. The Certificate of Insurance must list Sunbelt Agricultural Exposition, Inc. as the Certificate Holder. Please see the prior section on insurance for information on submitting a Certificate of Insurance. For your convenience, exhibitors and vendors without proper liability coverage may apply to be listed as additional insureds on the Sunbelt Agricultural Exposition, Inc. policy.

The cost for being added to the Sunbelt Ag Expo policy through K & K as an additional insured is \$80. Additional exhibitor/vendor locations can be insured for \$40 per location. This premium includes a Risk Purchasing Group (RPG) membership fee of \$15. RPG allows individual vendors to purchase liability insurance on a group basis. Acceptance of exhibitor/vendor coverage confirms your desire to obtain insurance through the Sports, Leisure, and Entertainment Risk Purchasing Group (where applicable).

To be added as an additional insured, please complete the form on page 21 and submit it with payment to K & K Insurance at the physical address above. For questions, please contact Bridgett.

Some vendors such as dunking booths, petting zoos, pony rides, game booths, etc. may require underwriting approval and may incur an additional charge. Other vendors may not be eligible for this program including but not limited to: ear piercing booths, tattoo parlors, haunted houses, inflatable amusement devices, stroller and wheel chair rentals, exotic animals, national companies/chain stores, metallic balloons, organ grinders, medical tests, medical exams/blood tests, liquor stands, mechanical rides, motorsports activities, and fireworks/weapons. \*\*K&K will no longer cover any vendor selling weaponry.

All submissions are subject to underwriting, and exhibitors/vendors are encouraged to submit well in advance of the deadline to allow time for resolution of any unforeseen issues that may arise.

- DUE DATE: OCTOBER 1, 2025
- Application and money must be sent together. We do not accept credit cards.
