

We invite you to participate in the 6th Annual

ADVOCACY IN ACTION COMPETITION

Hosted by Georgia Farm Bureau & Sunbelt Ag Expo

Are you a student who believes in the future of agriculture? Do you want to advocate for the future of farming, food security, and rural communities? We have an exciting opportunity just for you! The Advocacy in Action competition consists of High School and College divisions with students from around the Southeast. This event will unleash your passion for agriculture and empower you to make a difference. Advocacy in Action is your platform to showcase your knowledge, advocacy skills, and innovative ideas that can revolutionize the agricultural industry.

ADVOCACY **IN ACTION**

Sponsored by Georgia Farm Bureau and Sunbelt Ag Expo

THE CHALLENGE

The Advocacy in Action Challenge is a two-part competition that aims to engage students in the areas of agricultural policy and advocacy. Round One will take place prior to the Expo and will require student teams to submit a 2-3 minute video response to a issues-based prompt. Round Two will take place on Wednesday, October 21st at the Expo and will consist of an in-person interview based on a second issues-based prompt.

THE TEAMS

The competition will be broken into two divisions: high school and collegiate (undergraduate). Teams will be made up of three students apiece. Each student will receive an "Advocacy in Action" t-shirt, available for pickup at the Sunbelt Ag Expo.

ROUND ONE: THE VIDEO

The prompt for the video portion of the competition is provided on our registration website. Videos will be due on September 14th. Each member of the team must participate in the video. Videos should be no shorter than two minutes and no longer than three minutes and should address, to the best of the group's ability, the provided prompt.

ROUND TWO: THE INTERVIEW

Following the September 14th deadline, videos will be reviewed and the top three teams in each division will be selected. Finalists will be notified September 28th and provided with a second prompt. This prompt will serve as the guide for an in-person interview to take place at the Sunbelt Ag Expo on the morning of Wednesday, October 21st. Should a team be selected as a finalist, all team members **MUST** be able to attend the Sunbelt Ag Expo on Wednesday, October 21st.

For the in-person portion of the competition, each team will be paired with an agricultural lobbyist and/or policy professional who will serve as their "coach" for the day. Coaches and teams will be given thirty minutes to review the prompt and prepare for their interviews. Following the preparation segment, coaches and team will travel through the Sunbelt Ag Expo grounds to showcase their knowledge of the prompt with judges in three short, five-minute "elevator" interviews intended to replicate advocating at the State Capitol. As competition judges, these industry leaders will then convene to select a winner in each division. Winners will be announced at the award reception on the afternoon of Wednesday, October 21st.

THE AWARDS

Students of the top three teams in each division will receive a monetary prize provided by Georgia Farm Bureau and Sunbelt Ag Expo. Additionally, the first-place team in each division will be invited to attend Georgia Farm Bureau Day at the Capitol on February 9, 2027 in Atlanta, GA.

THE DATES

August 28, 2026: Registration closes and the video prompt is released.

September 14, 2026: Video submissions are due.

September 28, 2026: Finalists are notified and the in-person interview prompt is released.

October 21, 2026: In-person interviews take place at the Sunbelt Ag Expo.
